2026 PRAYER GUIDE

- At the end of 2025, we had 22 missionaries and associate missionaries laboring in 5 countries around the world.
- We need more missionary evangelists to fill spots in Uganda, Uruguay, and Haiti.
- We are seeking Regional Foreign Missionaries to work in South America, Africa, and Asia.
- Praise God for a new generation of missionaries being prepared through the Presbytery Cooperative Program.
- Pray the Lord would work in hearts of a new generation of missionaries to be sent and parents willing to let them go.
- Pray for wisdom for the Committee on Foreign Missions as it seeks to shepherd the resources of personnel and finances.
- Ask the Lord to give us all hearts willing to follow our Savior in His life of self-denying service to the nations.

“...’If anyone would come after me, let him deny himself and take up his cross daily and follow me.’” –Luke 9:23
