

THE ORTHODOX PRESBYTERIAN CHURCH
COMMITTEE ON
HOME MISSIONS
AND CHURCH EXTENSION

2026 PRAYER GUIDE

- As of the end of 2025, 12.6% of all OPC congregations (43 of 340) are mission works. More new mission works have begun in 2026.
- Approximately 10% of OPC pulpits are currently vacant. Our ranks of serving ministers are ageing; the number of vacant pulpits is likely to increase in the coming years.
- Pray for the Lord to raise up a new generation of men and women – church planters, their wives, and others – who will forego a life of comfort in order to serve in the planting and nurturing of new OPC churches.
- Pray that parents, pastors, and elders would challenge young people in their congregations to consider home missionary service.
- Ask the Lord to work in all of our hearts to more consistently heed his call to self-denial, self-giving, and self-surrender:

*If anyone would come after me,
let him deny himself and
take up his cross daily
and follow me.
(Luke 9:23)*
